Index to Gleanings in Bee Culture

Volume 88, 1961

In using this index the reader should not fail to note that it is divided into four departments, namely: General, Editorials, Contributors, and Illustrations. The index of General includes everything except Editorials, Illustrations, and Contributors.

General

A

Acarine problem and honeybee act 492
Advertising, free for beekeeper 664
Alamo, bees lose at 335
Alberta, has new apiary inspector 691
wintering bees in 654
American Honey Institute, news notes 612, 668
Apiary inspection, Florida 678
Argentina, my start with bees in 428
Association, beekeepers' 461
a very active one 343
bee research 594
Indiana 731
Attic, swarm in the 713
Award, master bee farmer 750

B

Ball Clover, more about it 92
promising for southern bee pasture 614
Bears and bees 356
Bee, Calif., laws revised ..561
museum in Norway 498
range, shift in Texas ... 14
research, Brazilian, USDA awards grant for 751
world, who's who in ...683
Bees, a banker's 532
adopted by a family ...340
and bears 356
and birds 535
bears, & elec. fences ..137
black, of Mike Curneen 208
bombs. bullets and 716
do skunks eat them? ..597
food for the birds 17
lose at the Alamo 335
message to all students interested in 526
my, I still like 761
my start with them 428
new method for repelling them from supers 536
on a roof 149
on display 462
package, history of 87
pollinating, conserve the 205
removing from wall ... 41
rim rock location for ...743
shipping, problems of .. 78
should they be left alone? 504
social, communication among 680
towns named after them 295
wintering in Alberta ...654
wintering in western Canada 616
Beekeeper, a friar 26
free advertising for 664
of Buckfast 467
room for the small ones 589
Scottish, letter from a..538
Beekeepers association ..461
association, active 343
Easter 203
European, observations 106
international week 560
Ohio, meet 555
vs. producers 213
young, let's help them 406
Beekeeping, as a hobby ..296
congress, 18th International 241
correspondence course in, at Penn State 433
dream comes true 84
from a knot hole to ...676
importance of bookkeeping in 425
in the classroom 457
in the land of the midnight sun 720
in New Mexico 336
migratory, ancient practice 659
on the Gulf Coast 265
on Prince Edward Is. ..662
police sergeant 269
school in Texas 689
short course at Penn State 434, 498
Beeswax, boaters find it useful 228
contents of old comb ..661
Beetle, cabinet, pest of stored combs 604
Bible, Holy—honey testimonial 398
Birds moved out 401
Bombs, bullets and bees ..716
Bookkeeping, importance of in beekeeping 425
Booklets can sell more honey 652
Book reviews
"Beekeeping in Tropics" 164
"Here Come the Bees" 100
"Rose Recipes" 297
Bottom boards, is this the answer? 113
Brood chambers, using three in Florida 528
Bucks that didn't get away 36

C

Captain turned red 348
Capping melter, build it yourself 36
Check-off plan, Georgia joins ranks 117
Christmas message 749
Colonies, blood transfusion for 90
large, more honey from 590
requeening 553
Communication among social bees 680
Cookbook, give a 484
Comb, old, beeswax contents of 661
Combs, importance of good ones 43
stored, pestered by cabinet beetle 604
Comb honey, experience selling it 25
holding over to sell in late winter 335
production, easy way ..408
sections, how I produce them 728
Crop report, annual 732

D

Dream come true, a 719

E

EAS meeting 620
Easter, beekeeper's 203
Electric fences, bees, bears and 137
Enabling act, for 666
against 667
Excluders, notch in, to let out drones 24
queen, do they work? ..681
Exhibits, apiarists score at 12
Expanding, don't do it too rapidly 220
Extracting sugared honey 363
Extractor, loading the 407
Experience, a rewarding ..330

F

Farm & home week.....752
Fireweed honey, securing a crop of 346

G

Gleanings' Mail Box .....131, ..195, 259, 323, 387, 451, ...515, 579, 643, 707
